Advertisement – TO Recruit a Female candidate to undertake a 3 Year Scholarship in Bangalore India, Funded by DFAT, to become a Prosthetics Orthotic of the Ministry of Health-Tonga

The Ministry of Health is seeking applications for the following scholarship:

- Prosthetics Orthotics - one scholarship available for a female candidate

Successful candidates will attend a three year diploma level course in Bangalore, India, commencing in June 2019. The scholarship includes course fees, accommodation and a living allowance.

Prosthetics Orthotics assesses and treat people who have physical limitations due to illness or disability.

On completion of study, the candidate will be expected to provide services to clients in Tonga, joining the rehabilitation department at the Ministry of Health.

Women and people with disabilities who meet the selection criteria are strongly encouraged to apply.

Eligibility Criteria:

- Have successfully completed Form 7 with a minimum grade of 50%
- Or have successfully completed form 6 and have work experience in prosthetics and orthotics
- Age: The applicant needs to have reached 18 years of age by the time of admission (June 2019)
- Have both spoken and written/reading English skills high enough to study at a tertiary level.

Method of Selection:

Selection is based on Merit. Candidates undergo an interview in Tonga, along with a preliminary written test and interview with Mobility India.

Application forms and more information can be downloaded from the Ministry of Health website <http://www.health.gov.to/> or picked up from the Ministry of Health, Administration Building from Ms Salote Puloka or Ms Vaisio'ata Nisa.

All applications should be submitted addressing to the CEO for Health, Ministry of Health Vaiola Hospital, Tofoa Tongatapu, No later than 4:30pm, Friday, the 22nd March, 2019.

Thank You!
